

ANIMAL HEALTH REGULATIONS

The following rules and regulations were provided to the Tulsa State Fair by the Oklahoma State Board of Agriculture. These rules will govern admission of livestock to the Tulsa State Fair. **ALL INCOMING LIVESTOCK MUST ENTER THROUGH GATE 7 OFF 15th STREET. ALL LIVESTOCK MUST BE ACCOMPANIED BY A CERTIFICATE OF VETERINARY INSPECTION (HEALTH CERTIFICATES), WHICH MUST BE CHECKED BEFORE UNLOADING.** An official CVI issued within thirty (30) days prior to the Fair must accompany all animals and shall be available at all times to the representatives of the Animal Industry Division. All CVIs must be validated by the Animal Industry Division before animals are given stall or pen space in the barns. All animals must be free of any infectious, communicable or contagious disease and if such a disease is found, it will be cause for removal of the animal(s) from the exhibition. All swine are required to have a State or Federal Premise Identification Number listed on their CVI. **Please call 405-522-6141 or go to <http://ag.ok.gov/ais/oair.pdf> for requirements or if you have questions.**

Out of state livestock, including domesticated poultry, birds, and rabbits, must meet Oklahoma's import requirements. Official Identification is required for all exhibition livestock imported into Oklahoma. Official Identification for most species is defined as an identification device with the USDA shield, an 840 prefix electronic or visual ear tag, or a registration tattoo or brand if accompanied by a copy of the registration certificate.

CATTLE

The CVI must list individual identification such as tattoo or ear tag, and complete description of livestock as to age, sex, and breed. **Tuberculosis:** *States not Tuberculosis Free as of April 10, 2017 are California and Michigan.* For import requirements for cattle from these states please call 405-522-6141 or go to <http://ag.ok.gov/ais/oair.pdf>. Out of state dairy breeds 6 months of age and older must originate from a TB Free Herd or must be TB test negative within 60 days prior to arrival at the show. The TB Accredited herd number and last herd test date must be indicated on the CVI. Any sexually intact dairy animal 6 months of age or older changing ownership within the state of Oklahoma is required to have a negative TB test within 60 days before change of ownership.

SWINE

Must be accompanied by an official CVI that shows individual identification such as tattoo, ear notch, or ear tag, complete description as to age, sex, breed, and also that they are free of external parasites, ringworm or warts, or any infectious, contagious, or communicable disease. **A State or Federal Premise Identification Number is required for all swine and must be listed on the CVI.** All Oklahoma swine must have a negative test for pseudorabies and brucellosis after June 1, 2017, or originate from a Validated Brucellosis/Qualified Pseudorabies Free Herd and be exhibited by owners and/or immediate family members. The CVI must indicate the negative test results for both brucellosis and pseudorabies, or indicate that animals are from Validated/Qualified Free Herds with the V/Q number and date of last herd test. **Out of state swine must obtain a pre-entry permit** by calling 405-522-6141 and must have a negative test for pseudorabies and brucellosis within 30 days before the date of entry or originate from a Validated Brucellosis/Qualified Pseudorabies Free Herd and be exhibited by the owner or immediate family member.

SHEEP AND GOATS

Must be accompanied by an official CVI that indicates animals are free of external parasites, fungal infections, and any infectious, contagious, or communicable disease. All sheep and goats must be individually identified with one of the following: 1. USDA ear tag; 2. Official breed registry tattoo (only if animal is accompanied by a registration certificate); 3. For animals not suitable for ear tagging, legible flank or tail-web tattoo (must contain premise ID and individual animal number.) **ILLEGIBLE TATTOOS WILL BE CONSIDERED AS NO IDENTIFICATION.**

DOGS

Each dog must be accompanied by an official CVI issued within 30 days before arrival at the show. All dogs over (4) months of age must have been officially vaccinated against rabies within 12 months of arrival, with the vaccination information listed on the CVI.

HORSES AND OTHER EQUIDAE

Must be accompanied by an official CVI or official Equine Passport showing age, breed, sex and all markings to positively identify animals, including all vaccinations, and date and result of required tests. **All** equine must be tested negative for Equine Infectious Anemia (EIA) within twelve (12) months prior to exhibition. Foals less than six (6) months of age accompanied by their negative tested dam are exempt from test requirements. The Lab name, accession number, date, and results of the test must be clearly shown on the CVI.

PIGEONS AND POULTRY

Out-of-State Poultry must comply with one of the following options:

1. Be accompanied by a negative pullorum/typhoid test dated within 30 days of entry and individual identification by leg/wing band, documentation may be on a 9-2 form, 9-3 form, or CVI.
2. Current participation in NPIP, documentation may be on a 9-2 form, 9-3 form, or CVI.

In-State Poultry must comply with one of the following options:

1. Be accompanied by a negative pullorum/typhoid test dated within 90 days of entry and individual identification by leg/wing band, documentation may be on a 9-2 form, 9-3 form, or CVI.
2. Current participation in NPIP, documentation may be on a 9-2 form, 9-3 form, or CVI.

A blanket CVI will be issued for all pigeons by a veterinarian on the grounds.
