The percentage of AOB steers in the sale will be based on the cumulative number of steers from breeds with less than ten head.

- For a breed champion to automatically qualify for the premium auction there must be a minimum of 10 head represented in the breed at the show.

All exhibitors should be standing by in the holding area and ready for sale order at this time. Steers will be called into the judging arena for sale order until the required number of JLA sale slots and alternate slots have been filled.
