## SPECIAL RULES

1. The Tulsa State Fair pays 80% of the premiums offered in the Angus Show and provides all ribbons and banners. All participants are subject to the rules and regulations as set forth in the front of this premium list.
2. The American Angus Association, 3201 Frederick Avenue, St. Joseph, Missouri, will pay 20% of the total premiums offered for Open Class Angus Breeding Cattle where individual premiums amount to \$10 or more. A minimum of 50 head must be shown in the Open Class Division to receive American Angus Association premium participation for the following year. Premiums from the association are paid by registration number. Therefore, all cattle should be registered at the time of entry to make certain they receive the association's portion of premiums. The association does not pay a percentage on premiums offered in championship classes.
3. Exhibitors must have the original registration certificate on each animal available for inspection at the show.
4. Any animal upon Check In which does not have a legible tattoo corresponding to its registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible tattoo, animals cannot be re-tattooed and rechecked at the show.
5. Any female shown with a calf at side, the calf must be her natural calf and be registered.
6. Only one person at a time shall lead animals into the show ring.
7. For an exhibitor to be eligible at shows for premium monies contributed by the American Angus association, each exhibitor is subject to Part 3, Section IX, Rule 11, "no coloring agents", Rule 11 states "Effective July 1, 2004, at any show for which the AAA appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners shall be allowed to use coloring agents on any animals exhibited at such shows.
8. For an exhibitor to be eligible at shows for premium monies contributed by the American Angus Association, each exhibitor is subject to Part 3, Section IX of the Association's rules entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition".
9. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herd Book, and the registration certificate becomes null and void.
