

SHOW RING CODE OF ETHICS

Believing it is in the best interest of all breeders of all livestock to maintain a reputation of integrity and to continue to present a wholesome and progressive image in the show ring, the following list of practices are considered unacceptable in the presentation of livestock. The use of such practices or procedures is, therefore, considered a violation of the Rules and Regulations governing this show.

4. Striking the animal to cause swelling. Blocking the nerves to prevent limping or tail switching.
5. Surgery, injection, administration of any product or material, or any other procedure performed to change the natural process of growth, maturation, contour or appearance of any animal, to include teeth, is prohibited. Not included is removal of teats or horns, clipping and dressing of hair and trimming hooves.
6. Injection or inserting of foreign material under the skin. The use of diuretics.

The use of any performance enhancing drug or drug/medication/treatment which gives an animal an unfair competitive advantage is prohibited. For the purpose of these rules, the term "legal drug" shall mean any substance, the sale, possession or use of which is controlled by license under federal, state or local laws or regulations and any substance commonly used by the medical or veterinary professions. The use of any chemical and/or compound that is not approved by the Food and Drug Administration for use in meat producing animals, or which is not labeled by the FDA for use by that breed of animal, or which exceeds the FDA/EPA/USDA established tolerances for any foreign substance and the illegal use of approved chemicals and/or compounds are prohibited. All animals shall be subject to tests for foreign substances that exceed the acceptable levels established by the United States Department of Agriculture, Food and Drug Administration or the Environmental Protection Agency. A positive test will result in disqualification, forfeiture of any premiums and/or awards and will exclude the exhibitor from future competition at the Tulsa State Fair. All medications will be administered by licensed veterinarians only. If medications, drugs or chemicals are administered during the Tulsa State Fair, such shall be administered ONLY by a licensed Veterinarian and personally witnessed by the Tulsa State Fair Livestock Manager or their designated employees. If administered due to such a medical emergency, then the Exhibitor shall also provide written notice promptly and immediately to the Tulsa State Fair Livestock Manager. The written notice described hereinabove shall include the particulars of the administration of the medication, drug, or chemical, including the injury or condition for which the product was administered, the name of product administered or given to the animal, the dosages given, the veterinarian who administered such and the days/dates when such medications, drug or chemical was administered. 13. The showing of unethically fitted livestock, the showing of livestock of any ineligible age for exhibition in the class entered, or the misrepresentation of breeding or milking status is prohibited. Unethical fitting will be deemed to consist of changing the normal conformation of any part of the animal's body or using drugs, including over the counter and/or extra label, or mechanical devices to alter the physical makeup and/or performance of the animal.
14. All owners or persons in charge of property or livestock shall care for, guard, protect, and preserve same, as the Tulsa State Fair does not undertake to do so, and it shall not be held responsible for any loss, shrinkage, or damage to said property or livestock or the owners or exhibitors thereof. The Tulsa State Fair is not responsible for the acts of third parties.

Any violation of the Rules and Regulations specifically designed for the individual shows or the "Show Ring Code of Ethics" may result in forfeiture of all premiums and awards, disqualification, expulsion or probation of the exhibitor, organized group, and individual or livestock involved. Probation, disqualification, expulsion or other disciplinary action of the Management will be final. Such action will require application for readmission under such terms as the Management may prescribe before the group or individual is allowed to exhibit at future events.
